

**ROTORUA ANGLERS ASSOCIATION
COVID POLICY 22 APRIL 2022**

Under the COVID Orange traffic light setting the following will apply at the clubrooms:

1. Vaccine Pass is not required.
2. You do not have to sign in or scan the QR code.
3. Please sanitise your hands on entry.
4. The building will be ventilated (taking into account the fact that Autumn is now here).
5. Maintain a 1 metre distance.
6. Wear a mask if you feel uncomfortable.

The emphasis has now shifted towards everyone protecting themselves. We look forward to seeing as many as possible enjoying our social evenings once again.

LET'S TALK FISH, NOT COVID
